Program goal

To provide a safe and fun environment where athletes are guided and encouraged to realize their potential in ski racing as well as in everyday life.

Development Team

The focus of this program is to improve fundamental skiing skills and introduce alpine racing. This program will prepare children for the Bousquet Race Team. Training Saturday and Sunday from 9am to 11am for 6 weeks, and four, two hour morning sessions during Christmas vacation , December 27, 28, 29, 30. ALL MOUNTAIN SKIING ABILITY REQUIRED! All participants MUST be able to ride lift unattended.

Interclub

The Interclub team is designed as an entry level program with the emphasis on improving skiing skills while being introduced to race courses and ski race competition. Interclub participants must be members of the United States Ski Association (USSA) as well as the Tri-State division of USSA. Racers age 12 and under as of December 31, 2011 join as Non-Scored Students

Each year the last practice day is held at Mount Snow. Additional information will be provided.

Tri-State

Tri-State team requires a greater commitment by both the racer and the parents. Competition during the season is aimed at qualifying racers for the Tri-State Championships.

Tri-State qualifying races are held primarily in Western Ma. With Eastern Division Championship competitions rotating among VT, NH, NY, and ME.

Tri-State racers will occasionally train "early morning" before the lifts open to the general public. Usual state time for early morning training is 7 am.

Tri-State racers may be given the opportunity to ski or train at other, larger ski areas.

All racers must join the United States Ski Association, Racers 12 and younger as of Dec.31, 2010 join as Youth Competitors and racers age 13 and over join as Competitors.

Tri-State racers are also required to join the Tri-State Alpine Racing Association.
